

Why should you, your family and community participate in LANTEX/CARIBEWAVE?

Test your family and/or community emergency plan.

Participate in any drill, orientation, table top or other (notify your *OMME)

Monitor the activation of the NOAA Radio or the EAS (Emergency Alert System)

Familiarize with the messages offered by the Seismic Network and the National Tsunami Warning Center.

Complete the exercise evaluations to see how it can be improved.

To participate, register as an individual, family or community at:

redsismica.uprm.edu/lantex

For further information visit: tsunami.gov

*OMME – Municipal Office of Emergency Management
